**THE "SHEMA" ...**

is considered the most important text in Judaism. "Hear, O Israel! The Lord our God is Lord alone!" expresses both the unity of God and exclusive fidelity to God. It is a command to the people to be faithful to God.

This All Saints Sunday is the Thirty-first Sunday in Ordinary Time when these verses from Deuteronomy are quoted by Jesus in the Gospel when He responds to the question of which is the greatest commandment. He adds to it a second commandment which comes from Leviticus 19:18: "You shall love your neighbor as yourself."

Love of God and love of neighbor are not just nice words to engrave on a plaque or hang on a wall. These two commandments are to be engraved on our hearts and lived in our lives! THEY WILL LEAD US TO ETERNAL LIFE!

Horrible! But this is what Pro-Choice allows to be done: "Otherwise known as "saline amniocentesis", "salting out", or a hypertonic saline" abortion is technique used after 16 weeks of pregnancy,when enough fluid has accumulated in the amniotic fluid sac surrounding the baby. A needle is inserted through the mother's abdomen and as much as a cup of amniotic fluid is withdrawn and replaced with a solution of concentrated salt. The baby breathes in, swallowing the salt, and is poisoned. It also causes painful burning and deterioration of the skin. The baby dies! This is one method. The others are equally horrible! And the saddest part of this is that it is LEGAL and those who represent us vote to continue this inhumane murder.
